About the Perth Cricket Club

The Perth Cricket Club is one of the 16 Premier cricket clubs that play in the Western Australian Premier Cricket Competition. It is one of the oldest clubs in Western Australia, with former Australian representatives such as Dennis Lillee, Rod Marsh, Luke Ronchi and Adam Gilchrist. Current Warriors and Big Bash players also include fast bowler Liam Guthrie and top order batsman Jon Wells. The Perth Cricket club attracts the best young community cricketers in the region to play for it.

About the Trials

The trials will comprise of skills-based sessions, game sense and fitness to give you the right tools you need to develop your game as you progress through the trials. Players will receive ongoing feedback by coaches throughout the trial sessions. Unsuccessful participants will have the opportunity to re-join the squad during the season as community and school cricket results will be monitored. An increase in communication with feeder clubs and schools is imperative for the Perth Cricket club to succeed. The Perth Cricket club acknowledge the importance of having a strong community link to its partner clubs and schools.

The Importance of the trials

The Perth Cricket Club plays a massive role in integrating Community Cricketers into its Premier Cricket teams and understands the importance of creating a welcoming environment. This trial process is another step we are taking to ensure all cricketers are given equal opportunity to be exposed to high level coaching they may not have experienced before. We are holding open trials, so anybody can attend and have a go at making it to the next step while they also have an opportunity to train on turf wickets for the two sessions and be exposed to some fantastic coaches.
